Adaptations

Facilitating Staying at Home

Many people, whether they are growing older, are disabled or become disabled, would prefer to stay in their own home. Automatic entrance doors, windows, curtains, blinds etc, together with the provision of telephone entrance systems and controls is our speciality and significantly helps to facilitate this.

Free Advice Assistance & Quotations

Utilising our expertise and experience with disabled adaptations, we are pleased to provide free advice and assistance to the public and care professionals. We have dealt with occupational therapists, social services, health advisors and specialists surveyors.

We also provide ongoing maintenance and servicing for continued trouble free operation and peace of mind.

Meeting Your Needs

We provide the automation for adaptation. Our flexibility and independent status means we can customise our automated systems to meet your bespoke requirements and individual needs.

Our fully trained surveyors work across the Costa Blanca. Please contact us to discuss your needs and we will be pleased to provide advice, a site visit and a no-obligation quotation.
